

Formed in July of 2012, we are a growing coalition of Christian ministries, therapists and pastors, who offer hope through Christ Jesus to those hurting from sexual and relational brokenness, especially those impacted by homosexuality.

## Mission Statement

Restored Hope is an inter-denominational membership governed network dedicated to restoring hope to those broken by sexual and relational sin, especially those impacted by homosexuality. We proclaim that Jesus Christ has life-changing power for all who submit to Christ as Lord; we also seek to equip His church to impart that transformation.

## You are not alone!

**To the struggler,** Restored Hope Network offers opportunities for you to join others to discover God's unfailing love. Our network of ministries provide varied relational opportunities for personal interactive support.

## Supporting the Church, Pastors and Counselors

We also are glad to help equip pastors and lay and professional counselors apply a biblical world-view in sexual ethics and identity issues.

### We provide:

- Annual training conference
- Recommended books and resources
- Referrals for the care of congregants
- Professional videos on sexually redemptive themes
- Other tools to help your church become a healing community

**"Let us hold fast the confession  
of our hope without wavering,  
for He who promised is faithful."**

HEBREWS 10:23

*"I want to personally thank you for your strong, yet compassionate biblical position. The 'truth in love' directive from scripture is not an opt in/opt out clause. It is a mandate for the believer and it requires some maturity and real biblical balance. Restored Hope Network is doing that in an exemplary fashion." Janet Parshall, host of "In The Market" Moody Bible Radio*

**"Blessed are the pure in heart, for they shall see God," Jesus said. (Mt. 5:8) Restored Hope Network provides practical, sensible counsel and means to restore and deepen purity of heart, thus making possible the joy that only God's face can give." Fr. Paul N. Check, Executive Director of Courage**

*"My spirit was quickly encouraged because of the ram in the bush God provided through your ministry, the Restored Hope Network. To the very end, we will stand for God's truth with love and empathy for those who have fallen for the enemy's lie." Julea Ward*

## Jesus Christ still transforms the lives of those who turn to Him from sexual and relational sin!

Hope

**How do we know this?** Many of our leaders have themselves repented of homosexuality or gender confusion and have found wholeness in Christ; others have family members who had once embraced the LGBT orientation or life. Other leaders are caring pastors and counselors who have helped others on their journeys to wholeness. We know from experience that Jesus can change lives!

*"Thanks for everything. Sometimes I get scared I would not be able to come out of the addiction." KA*

*"As the battle for marriage and the home grows more intense than ever, I am encouraged by the work of the Restored Hope Network. The homosexual lobby has spent many decades and dollars infiltrating the culture to the point that even some churches and Christian leaders now acquiesce to the gay agenda. But Anne Paulk and the leadership of Restored Hope are standing faithful to the biblical model of marriage and human sexuality, and in fact, to the Gospel itself. I applaud their vital work." James C. Dobson, Ph.D.*

**"I thank God for Restored Hope Network—the voice in the wilderness offering me hope. I am sobbing as I write this as this has been so painful!" LM**
